

NIAAA T32 Alcohol Research Training Grant Experience Evaluation

Name:

Mentor(s):

During your time on the NIAAA T32 are/were you a PRE or POSTdoc?

How many years have you been/were you supported by the NIAAA T32?

In a few sentences each, please address the questions below to tell us about your experience during your tenure (to-date, if currently appointed) on the NIAAA T32 alcohol research training grant.

1. Were the basics about your responsibilities and obligations clear when you accepted your appointment on the NIAAA T32 alcohol research training grant? If not, how could communications in this area be improved?
2. How did the NIAAA T32 help you accomplish your alcohol research training objectives, if at all?
3. How could we improve the NIAAA T32 during the next competitive grant renewal to better serve the trainees' alcohol research training experience? Please don't comment about budget types of concerns since we have no control over NIH stipend levels, tuition fund calculations, etc.
4. How can we improve the interaction between NIAAA T32 faculty and trainees?
5. Are there specific topics you want/wanted to learn more about that the NIAAA T32 might be able to assist with? If so, please describe.

Please provide any additional comments/suggestions you think would be helpful as we always aim to grow and improve upon this NIAAA T32 alcohol research training grant.
